

Making Citizens Park work for everyone

Council is seeking feedback on four proposals to improve Citizens Park for the whole community.

Earlier this year, Council held extensive community consultation on how to better balance the needs of all park users. This included the formation of the Citizens Park Users Group (CPUG), comprising community members including dog walkers and representatives from local sporting clubs. The four proposals are based on the suggestions put forward by the CPUG (Proposals 1 and 2), and wider community (Proposals 3 and 4).

Community feedback is being sought on the four proposals until **Friday 28 August 2015**.
