

Poll Everywhere Instructions

Tonight you will be asked to use the Poll Everywhere software to instantly vote on a range of propositions. There are a number of ways you can vote.

A. Text message

1. At any time before the activity you can text the word 'capire' to 0427 541 357 to join poll group. You will receive a confirmation text. (Each text will be at your usual message cost).
2. When a poll is displayed, text your vote to the same number. For example, if you agree with option A, send the letter 'A' to the number. You will see your vote counted instantly.

B. Log on online

(Be aware that this option may take time to load the webpage)

1. Go to: PollEv.com/capire
2. The current poll will appear on your screen. Tap your chosen option. You will see your vote added to that selection.
3. When the next poll is launched by the team, your display will automatically change.

C. Smart phone App

1. Go to your app store on your phone
2. Search for 'PollEv' and download the Poll Everywhere App.
3. Open the app once it is loaded, select 'I'm participating'
4. Join the presentation 'pollev.com/capire'
5. The current poll will appear on your screen. Tap your chosen option. You will see your vote added to that selection.

If you don't want to vote using your technology, the table support people can assist you to vote via their phone or ipad.

*Remember to please vote only once for every question posed.
